October 26, 1916.

Memorandum to Miss Bell:

Referring to your list of companies to whom blanks have been forwarded for making returns on fishery operations in Alaska, I note that the Columbia Salmon Company has been omitted. This is the new company which took over the Seldovia Salmon Company. You can probably get the address from Mr. Cobb. Please send blanks and notify me of the address of the company so my records may be complete on this point.
